Sec. 2254.022. INTERPRETATION OF SUBCHAPTER. (a) This subchapter shall be interpreted to ensure:

(1) the greatest and fairest competition in the selection by state agencies of consultants; and

(2) the giving of notice to all potential consultants of the need for and opportunity to provide consulting services.

(b) This subchapter does not:

(1) discourage state agencies from using consultants if the agencies reasonably foresee that the use of consultants will produce a more efficient and less costly operation or project;

(2) prohibit the making of a sole-source contract for consulting services if a proposal is not received from a competent, knowledgeable, and qualified consultant at a reasonable fee, after compliance with this subchapter; or

(3) require or prohibit the use of competitive bidding procedures to purchase consulting services.

Added by Acts 1993, 73rd Leg., ch. 268, Sec. 1, eff. Sept. 1, 1993.

Amended by Acts 1997, 75th Leg., ch. 1035, Sec. 4, eff. June 19, 1997.

Sec. 2254.023. APPLICABILITY OF SUBCHAPTER. This subchapter applies to consulting services that a state agency acquires with money:

(1) appropriated by the legislature;

(2) derived from the exercise of the statutory duties

of a state agency; or

(3) received from the federal government, unless a federal law or regulation conflicts with the application of this subchapter.

(2) private legal counsel;

(3) investment counselors;

(4) actuaries;

(5) medical or dental services providers; or

(6) other consultants whose services are determined by the governing board of a retirement system trust fund to be necessary for the governing board to perform its constitutional fiduciary duties.

(b) If the governor and comptroller consider it more advantageous to the state to procure a particular consulting service under the procedures of Chapters 2155-2158, instead of under this subchapter, they may make a memorandum of understanding to that effect and each adopt the memorandum by rule. Procurement of a consulting service described in a memorandum of understanding under this subsection is subject only to Chapters 2155-2158.

(c) The comptroller by rule may define circumstances in which a state agency may procure, without complying with this subchapter, certain consulting services that will cost less than a minimum amount established by the comptroller. The comptroller must determine that noncompliance in those circumstances is more cost-effective for the state.

Added by Acts 1993, 73rd Leg., ch. 268, Sec. 1, eff. Sept. 1, 1993.

(b) A state agency's request for a waiver must include information required by the governor, including:

- (1) information about the nature of the emergency;
- (2) the reason that the state agency did not foresee the emergency;
- (3) the name of the consultant with whom the agency intends to contract; and
- (4) the amount of the intended contract.

(c) As soon as possible after the governor grants a limited waiver, a state agency shall comply with this subchapter to the extent that the requirements of this subchapter are not superfluous or ineffective because of the waiver. The agency shall include with information filed with the secretary of state for publication in the Texas Register a detailed description of the emergency on which the request for waiver was predicated.

(d) The governor shall adopt rules to administer this section.

(e) In this section, "unforeseen emergency" means a situation that suddenly and unexpectedly causes a state agency to need the services of a consultant. The term includes the issuance of a court order, an actual or imminent natural disaster, and new state or federal legislation. Sec. 2254.103. STATE GOVERNMENTAL ENTITY: CONTRACT APPROVAL; SIGNATURE. (a) A state governmental entity that has authority to enter into a contract for legal services in its own name may enter into a contingent fee contract for legal services only if:

(1) the governing body of the state governmental entity approves the contract and the approved contract is signed by the presiding officer of the governing body; or

(2) for an entity that is not governed by a multimember governing body, the elected or appointed officer who governs the entity approves and signs the contract.

(1) there is a substantial need for the legal services;

(2) the legal services cannot be adequately performed by the attorneys and supporting personnel of the state governmental entity or by the attorneys and supporting personnel of another state governmental entity; and

(3) the legal services cannot reasonably be obtained from attorneys in private practice under a contract providing only for the payment of hourly fees, without regard to the outcome of the matter, because of the nature of the matter for which the services will be obtained or because the state governmental entity does not have appropriated funds available to pay the estimated amounts required under a contract providing only for the payment of hourly fees.

(e) Before entering into a contingent fee contract for legal services in which the estimated amount that may be recovered exceeds \$100,000, a state governmental entity that proposes to enter into the contract in its own name or in the name of the state must also notify the Legislative Budget Board that the entity proposes to enter into the contract, send the board copies of the proposed contract, and send the board information demonstrating that the conditions required by Subsection (d)(3) exist. If the state governmental entity finds under Subsection (d)(3) that the state governmental entity does not have appropriated funds available to pay the estimated amounts required under a contract for the legal services providing only for the payment of hourly fees, the state governmental entity may not enter into the proposed contract in its own name or in the name of the state unless the Legislative Budget Board finds that the state governmental entity's finding with regard to available appropriated funds is correct.

(f) A contingent fee contract for legal services that is subject to Subsection (e) and requires a finding by the Legislative

Budget Board is void unless the board has made the finding required by Subsection (e).

(A) the reasons for pursuing the matter that is the subject of the legal services for which the attorney or law firm would be retained and the desired outcome of pursuing the matter;

(B) the competence, qualifications, and experience demonstrated by the attorney or law firm selected under Section [2254.1032](#);

(C) the nature of any relationship, including the beginning of the relationship, between the political subdivision or governing body and the attorney or law firm selected under Section [2254.1032](#);

(D) the reasons the legal services cannot be adequately performed by the attorneys and supporting personnel of the political subdivision;

(3) a copy of the statement required by Section [2254.1036](#)(b).

(b) Within 90 days after receiving a contract from a

political subdivision, the attorney general may:

(1) approve the contract;

(c) A contract submitted to the attorney general by a political subdivision under Subsection (a) is considered approved by the attorney general unless, not later than the 90th day after the date the attorney general receives the request to approve the contract, the attorney general notifies the political subdivision that the attorney general is refusing to approve the contract.

(d) If the attorney general refuses to approve a contract under Subsection (b)(2), the attorney general shall specifically identify the provisions of this subchapter with which the contract fails to comply or the political subdivision failed to comply. Sec. 2254.104. TIME AND EXPENSE RECORDS REQUIRED; FINAL STATEMENT. (a) The contract must require that the contracting attorney or law firm keep current and complete written time and expense records that describe in detail the time and money spent each day in performing the contract.

(b) The contracting attorney or law firm shall permit the governing body or governing officer of the state governmental entity or political subdivision, the attorney general, and the state auditor or the political subdivision's auditor, as applicable, each to inspect or obtain copies of the time and expense records at any time on request.

(c) On conclusion of the matter for which legal services were obtained, the contracting attorney or law firm shall provide the contracting state governmental entity or political subdivision with a complete written statement that describes the outcome of the matter, states the amount of any recovery, shows the contracting attorney's or law firm's computation of the amount of the contingent fee, and contains the final complete time and expense records required by Subsection (a). The complete written statement required by this subsection is public information under Chapter [552](#) and may not be withheld from a requestor under that chapter under Section [552.103](#) or any other exception from required disclosure.

Sec. 2254.105. CERTAIN GENERAL CONTRACT REQUIREMENTS. The contract must:

(1) provide for the method by which the contingent fee is computed;

(2) state the differences, if any, in the method by which the contingent fee is computed if the matter is settled, tried, or tried and appealed;

(3) state how litigation and other expenses will be paid and, if reimbursement of any expense is contingent on the outcome of the matter or reimbursable from the amount recovered in the matter, state whether the amount recovered for purposes of the contingent fee computation is considered to be the amount obtained before or after expenses are deducted;

(4) state that any subcontracted legal or support services performed by a person who is not a contracting attorney or a partner, shareholder, or employee of a contracting attorney or law firm is an expense subject to reimbursement only in accordance with this subchapter; and

(5) state that the amount of the contingent fee and reimbursement of expenses under the contract will be paid and limited in accordance with this subchapter.

Added by Acts 1999, 76th Leg., ch. 1499, Sec. 3.03, eff. Sept. 1, 1999.

Sec. 2254.106. CONTRACT REQUIREMENTS: COMPUTATION OF

CONTINGENT FEE; REIMBURSEMENT OF EXPENSES. (a) The contract must establish the reasonable hourly rate for work performed by an attorney, law clerk, or paralegal who will perform legal or support services under the contract based on the reasonable and customary rate in the relevant locality for the type of work performed and on the relevant experience, demonstrated ability, and standard hourly billing rate, if any, of the person performing the work. The contract may establish the reasonable hourly rate for one or more persons by name and may establish a rate schedule for work performed by unnamed persons. The highest hourly rate for a named person or under a rate schedule may not exceed \$1,000 an hour. This subsection applies to subcontracted work performed by an attorney, law clerk, or paralegal who is not a contracting attorney or a partner, shareholder, or employee of a contracting attorney or law firm as well as to work performed by a contracting attorney or by a partner, shareholder, or employee of a contracting attorney or law firm.

(b) The contract must establish a base fee to be computed as follows. For each attorney, law clerk, or paralegal who is a contracting attorney or a partner, shareholder, or employee of a contracting attorney or law firm, multiply the number of hours the attorney, law clerk, or paralegal works in providing legal or support services under the contract times the reasonable hourly rate for the work performed by that attorney, law clerk, or paralegal. Add the resulting amounts to obtain the base fee. The computation of the base fee may not include hours or costs attributable to work performed by a person who is not a contracting attorney or a partner, shareholder, or employee of a contracting attorney or law firm.

(c) Subject to Subsection (d), the contingent fee is computed by multiplying the base fee by a multiplier. The contract must establish a reasonable multiplier based on any expected difficulties in performing the contract, the amount of expenses expected to be risked by the contractor, the expected risk of no recovery, and any expected long delay in recovery. The multiplier may not exceed four without prior approval by the legislature.

(d) In addition to establishing the method of computing the

fee under Subsections (a), (b), and (c), the contract must limit the amount of the contingent fee to a stated percentage of the amount recovered. The contract may state different percentage limitations for different ranges of possible recoveries and different percentage limitations in the event the matter is settled, tried, or tried and appealed. The percentage limitation may not exceed 35 percent without prior approval by the legislature. The contract must state that the amount of the contingent fee will not exceed the lesser of the stated percentage of the amount recovered or the amount computed under Subsections (a), (b), and (c).

(e) The contract also may:

(1) limit the amount of expenses that may be reimbursed; and

(2) provide that the amount or payment of only part of the fee is contingent on the outcome of the matter for which the services were obtained, with the amount and payment of the remainder of the fee payable on a regular hourly rate basis without regard to the outcome of the matter.

(f) Except as provided by Section [2254.107](#), this section does not apply to a contingent fee contract for legal services:

(1) in which the expected amount to be recovered and the actual amount recovered do not exceed \$100,000; or

(2) under which a series of recoveries is contemplated and the amount of each individual recovery is not expected to and does not exceed \$100,000.

(g) This section applies to a contract described by Subsection (f) for each individual recovery under the contract that actually exceeds \$100,000, and the contract must provide for computing the fee in accordance with this section for each individual recovery that actually exceeds \$100,000.

Added by Acts 1999, 76th Leg., ch. 1499, Sec. 3.03, eff. Sept. 1, 1999.

Sec. 2254.107. MIXED HOURLY AND CONTINGENT FEE CONTRACTS; REIMBURSEMENT FOR SUBCONTRACTED WORK. (a) This section applies only to a contingent fee contract:

(1) under which the amount or payment of only part of

the fee is contingent on the outcome of the matter for which the services were obtained, with the amount and payment of the remainder of the fee payable on a regular hourly rate basis without regard to the outcome of the matter; or

(2) under which reimbursable expenses are incurred for subcontracted legal or support services performed by a person who is not a contracting attorney or a partner, shareholder, or employee of a contracting attorney or law firm.

(b) Sections 2254.106(a) and (e) apply to the contract without regard to the expected or actual amount of recovery under the contract.

(c) The limitations prescribed by Section 2254.106 on the amount of the contingent fee apply to the entire amount of the fee under the contingent fee contract, including the part of the fee the amount and payment of which is not contingent on the outcome of the matter.

(d) The limitations prescribed by Section 2254.108 on payment of the fee apply only to payment of the contingent portion of the fee.

Added by Acts 1999, 76th Leg., ch. 1499, Sec. 3.03, eff. Sept. 1, 1999.

Sec. 2254.108. FEE PAYMENT AND EXPENSE REIMBURSEMENT. (a) Except as provided by Subsection (b), a contingent fee and a reimbursement of an expense under a contract with a state governmental entity is payable only from funds the legislature specifically appropriates to pay the fee or reimburse the expense. An appropriation to pay the fee or reimburse the expense must specifically describe the individual contract, or the class of contracts classified by subject matter, on account of which the fee is payable or expense is reimbursable. A general reference to contingent fee contracts for legal services or to contracts subject to this subchapter or a similar general description is not a sufficient description for purposes of this subsection.

(b) If the legislature has not specifically appropriated funds for paying the fee or reimbursing the expense, a state governmental entity may pay the fee or reimburse the expense from

other available funds only if:

(1) the legislature is not in session; and

(2) the Legislative Budget Board gives its prior approval for that payment or reimbursement under Section 69, Article XVI, Texas Constitution, after examining the statement required under Section 2254.104(c) and determining that the requested payment and the contract under which payment is requested meet all the requirements of this subchapter.

(c) A payment or reimbursement under the contract may not be made until:

(1) final and unappealable arrangements have been made for depositing all recovered funds to the credit of the appropriate fund or account in the state treasury; and

(2) the state governmental entity and the state auditor have received from the contracting attorney or law firm the statement required under Section 2254.104(c).

(d) Litigation and other expenses payable under the contract, including expenses attributable to attorney, paralegal, accountant, expert, or other professional work performed by a person who is not a contracting attorney or a partner, shareholder, or employee of a contracting attorney or law firm, may be reimbursed only if the state governmental entity or political subdivision and, if applicable, the entity's or subdivision's auditor determine that the expenses were reasonable, proper, necessary, actually incurred on behalf of the state governmental entity or political subdivision, and paid for by the contracting attorney or law firm. The contingent fee may not be paid until the entity's or subdivision's auditor or the governing body of a political subdivision without an auditor, as applicable, has reviewed the relevant time and expense records and verified that the hours of work on which the fee computation is based were actually worked in performing reasonable and necessary services for the state governmental entity or political subdivision under the contract. Sec. 2254.109. EFFECT ON OTHER LAW. (a) This subchapter does not limit the right of a state governmental entity or political subdivision to recover fees and expenses from opposing parties under other law.

(b) Compliance with this subchapter does not relieve a contracting attorney or law firm of an obligation or responsibility under other law, including under the Texas Disciplinary Rules of Professional Conduct.

(c) An officer, employee, or governing body of a state governmental entity or political subdivision, including the attorney general, may not waive the requirements of this subchapter or prejudice the interests of the state governmental entity or political subdivision under this subchapter. This subchapter does not waive the state's sovereign immunity or a political subdivision's governmental immunity from suit or the state's immunity from suit in federal court under the Eleventh Amendment to the federal constitution.
